

Shelly Beach to Moffat Beach Coastal Study

Have your say

The coastal strip from Shelly Beach to Moffat Beach is a favourite spot for many of us.

Through an online survey we are asking for **YOUR VIEWS** on what is valued about this section of coastline so we can ensure the future management of the area achieves the right balance for residents, nesting turtles and coastal biodiversity.

If you have an interest in this stretch of coast, make sure you subscribe for project updates and we will send you updates about our latest news, upcoming events and online activities.
