

Glenfields Neighbourhood Park, Mountain Creek Draft Landscape Plan

Community Engagement Summary

Have your say: Phase 2 - Have we got it right?

June 2025

Thank you to everyone who provided input and feedback on the draft landscape plan for Glenfields Neighbourhood Park.

Between **22 April and 20 May 2024**, we engaged our community to understand the key values and future vision of the park, also to vote on the provision and location of a dog exercise area in the Glenfields estate.

Following stage 1 engagement, between **20 January and 14 February 2025**, we invited our community to review the draft landscape plan and provide feedback by completing a short online survey. The draft landscape plan includes the proposed dog exercise area as voted on by the community in stage one engagement.

We have gathered significant community input throughout the project to ensure community needs have been reflected in the landscape plan. In the stage 3 engagement: have we got it right we **received 103 survey responses**, an additional thank you to everyone for your valuable contributions. This feedback will help us finalise the landscape plan.

We are pleased to share that **77 per cent of respondents are in support** of the proposed improvements to Glenfields Neighbourhood Park. Out of 103 participants, 48 people strongly supported and 26 supported the draft landscape plan, 10 people were opposed or strongly opposed with 10 neutral and two undecided.

The main things you told us you loved about the draft landscape plan included:

- an upgraded playground for all ages
- addition of the dog exercise area
- the draft landscape plan includes all necessary items
- many appreciative of the plan.

The feedback we received also included the following areas you would like us to revisit before finalising the design:

- the location of the fenced dog exercise area (DEA)
- drainage concerns
- bike tracks and/or skate bowl
- improved exercise equipment
- improved lighting and security.

Topics covered in the survey comments:

1. Improved playground comments and requests x 22

- Faeces (disease, odour).

5. General approval of plan comments and requests x 13

- Great initiative
- I love the look and plan of the landscape plan, and would be exciting getting a refresher and improvement to this community area
- Great to see the commitment to improve the park.

6. Parking comments and requests x 8

- Concerns over the lack of existing parking
- The added demand with the proposed DEA and improved playground
- Additional parking required.

All the information gathered through this stage of community engagement will be considered to finalise the landscape plan, ensuring it reflects the priorities and aspirations of our community.

Amendments to be carried out to the Draft Glenfields Neighbourhood Park Landscape Plan

1. Safe bike / scooter loop track
2. Dog exercise area offset to southern neighbouring properties to increase from 8m to 20m
3. Additional lighting - amber colour/brightness, timed to turn off and sensor activated after hours

What's next?

All of the information gathered through this stage of community engagement will be considered to finalise the landscape plan, ensuring it reflects the priorities and aspirations of our community.

The final landscape plan for Glenfields Neighbourhood Park will be finalised before the end of 2025.
