

COMMUNITY FEEDBACK

HAVE
YOUR
SAY

Wilkins Park, Pacific Paradise

Thank you for your feedback on Wilkins Park!

Throughout March, we asked our community to share what you like, what could be improved, and your ideas for the future of Wilkins Park.

We received 157 survey responses and many contributions to the Ideas Board on Council's Have your Say website.

Community engagement activities also included:

- Pacific Paradise State School - Year 6 workshop
- 2x Pop-up events in the park
 - Wednesday 19 March with the Sunshine Coast Clippers Basketball
 - Saturday 22 March

What we heard

We heard that our community values the park's large shade trees, the popular skate park, the children's playground, and the open green spaces for play and relaxation.

Other feedback we received includes:

- Lack of shade in key areas
- Leaf litter obstructs skate park use
- Playground suits limited age range
- More seating needed throughout the park
- Paths and access could be improved
- Lack of maintenance to the park is a concern
- Desire for toilets & lighting

Top 3 suggestions for improvements

Upgrades to playground and
skate park

Shade improvements

Improved paths and active
play opportunities

Next Steps

1. Council will prepare a draft Landscape Plan (July – Oct 2025)
2. We'll ask for your feedback on the draft plan (Oct 2025)

Please note: Final design will be shaped by a range of factors including community feedback, site constraints and available budget.
